

FRESH BREAD

SCHOON SOURDOUGH 48

Our signature loaf, made with a combination of whole wheat & white bread flours, and fermented for 3 days to enhance flavour and digestibility. A delicious, flavourful loaf for every occasion.

RUSTIQUE 34

A well-hydrated dough with a long overnight fermentation, baked at high temperatures. This creates a thin crust and chewy centre – perfect for dunking into olive oil or soup.

100% RYE 62

A purist approach to traditional tangy, dense rye bread, but with a Schoon twist - we add a touch of honey and roasted coriander to create a nuanced flavour experience.

LUNCHBOX LOAF 26

Introducing our lunchbox loaf, a true Schoon original. We've kept all the health benefits of our slow fermentation process and packed it into a deliciously satisfying white loaf that's perfect for school sarmies. A soft, delicious white bread for the whole family - that is also good for the gut!

SCHOON BURGER BUNS (PACK OF 4) 25

A soft, vegan burger bun made the Schoon way, long-fermented and with no preservatives or sugar. The perfect healthier bun for burger night!

CROISSANT LOAF 65

A whole pan loaf made with Schoon's buttery croissant dough. Perfect for French Toast, or toasted with home-made jam.
